FANFARE

Confident opening. Nice style. A - information detracts. A 'mature' sounding band.

Flying Home.

Soloists could 'sing' more. Band not quite with soloist into D.

Vivo - great tempo - band untidy. Good work soloists. Some minor slip of concentration on D.S. band!
1 - sustain from band. Well done soloists

I will follow him.

A good blend in trombones

B - some slight intonation issues. E - is fun. entertaining
Well done.

Armenian Fire Dance

A good show piece. Could maybe show more 'foco'. Extravert!

Dynamics well done. Good sounds towards end, tubas and bass trombone. Good finish.

I'll walk with God. Euphs need more presence. Perhaps more 'rubato' in general. C - accomp - Glock - not together.

Good sounds - tempo needs to flow.

SOME GOOD PLAYING, MARRED BY UNFORTUNATE ERRORS.

SOLIST

Nice tribute to such a fine musician and gentleman!

THANK YOU
